To the best of my knowledge, the copied documents, records and other items enclosed are true and correct copies of all original records identified and described in the subpoena duces tecum, patient authorization, or court order made by or at the direction of the custodian of records. The original records were prepared in the ordinary course of the facility's regularly conducted business at or near the time of the act, condition, or event by persons with knowledge of the facts recorded, and the records have been maintained in the ordinary course of the facility's regularly conducted business according to all confidentiality and security requirements of law. This certification is given by the custodian of records instead of the custodian's personal appearance.

We are not aware of any omissions; however, due to the timing of this request it is possible that a portion of the medical record may be incomplete and/or preliminary at this time.

The recipient of these records agrees to maintain their confidentiality and permit further disclosure only as authorized by law.

Select Only One:

The complete records consisting of 292 pages.

The complete records for the time period beginning _____ and ending _____ consists of _____ pages.

The copied records consist of _____ pages. They are incomplete in the following: _____

CERTIFICATION OF NO RECORDS

A thorough search of requested information carried out under my direction and control revealed that this facility does not have the records described in the patient authorization or the subpoena duces tecum.

DECLARATION OF CUSTODIAN OF RECORDS

I, Tifini Corbin, am the duly authorized Custodian of Records of the above named facility. I am familiar with the mode of preparation of, and have the authority to certify, the facility record. I declare under penalty of perjury under the laws of the State of Utah County of Weber that the foregoing is true and correct.
